Our Advantage

- Client Satisfaction
- Export wine
- Your Label
- Free Web Address
- Internet Presence
- Tax Deductible

The Wines

Wine The perfect
thank you for valued
Clients

South Australian Chardonnay: This export chardonnay has a wonderfully fruity but dry wine produced from grapes specially bred for the south Australian climate of long warm summer days and is a very clean fresh wine as a result of this.

South Australian Sparkling Brut: Dry sparkling wine produced in South Australia using the bottle fermentation method perfected in France, It has a typical clean crisp taste and aroma of the finest sparkling wines with just the correct balance on the mouth as bottle-fermented champagne should have.

Italian Style Red: This wine is a medium sweet Italian Style Light Red table wine with a nice balance of fruit and sweetness. It has a pleasant floral finish of berries with a slight sparkle, deep colour.

Australian Tawny Port: This port is blended from the finest Muscat grapes and brandy and stored in very large oak barrels to allow the complex flavours to arrive at the glass when consumed.
